- The concerns expressed at the last meeting have been conveyed to the Police.
- **Resolved:** To receive and note the information provided.

122.14 Gorslas. Unsafe Trees

- As agreed at the last meeting an assessment of the condition of the trees in the park was made on Tuesday 22nd November,2016, by tree surgeon in the company of the Cllr T Davies and the Clerk.
- During the visit the condition of a number of trees were such as to require immediate attention to prevent damage to persons or wall and gravestones in the Church.
- In the light of the advice and the poor condition of the trees the contractor was instructed, on the grounds of safety, to remove the relevant trees with the work being completed on Friday 25th November,2016, at a cost of £ 450.00(ex VAT).
- **Resolved:** To receive, note and approve the actions taken.

122.15 Drefach. Multi Use Equipment:

- Draft drawings finalised and the contractor asked to confirm the price.
- As the metalwork is being fragmented and galvanised the replacement item would not be available until early in the new year.
- Once the order has been issued the current equipment will be dismantled and safety fencing put in place until the item has been re-assembled.
- **Resolved:** To receive, note and approve the actions taken.

122.16 Drefach. Boundary Hedge Growth No's 39 and 41 Brynglas

- As resolved at the last meeting a specialist tree surgeon together with the Clerk visited the park and examined the position in relation to the possibility of trees within the park interfering with the satellite reception for the properties in question.

- In summary, the contractor was of the view that the cause of the difficulties is a large tree which is located on what seems to be private property, adjacent to but on higher ground than the properties at Brynglas
- Given the significant distance the properties were from the park and that in terms of aspect they were not facing the park there was nothing which the Community Council could do to assist.
- Cllr Wyn Edwards advised members that he had visited in person those living at the property to discuss their concerns and from which it could be noted that the receiver for no 39 was indeed directly in line with a large tree which was outside of the park.
- **Resolved:** To receive and note the information provided.

- The risk assessment undertaken on Tuesday 22nd November,2016, did not identify that any urgent work was necessary.
- Non-urgent works to trim back the boundary growth were costed at £ 150.00.
- **Resolved:** To receive and note the actions taken.

123.4 Drefach Park. Tree Risk Assessment.

- The risk assessment undertaken on Tuesday 22nd November,2016, did not identify that any urgent necessary work was required.
- **Resolved:** To receive and note the actions taken.

123.5 Drefach Park. Habitat Area Local Feedback.

- The Clerk together with Shapewright drainage contractor visited Drefach Park on Wednesday 30th November,2016, to assess drainage requirements two local residents of the Brynglas Estate made themselves known to the Clerk and relayed their concerns that should the trees in the habitat area grow they would prevent parents from being able to view children playing.
- They request that the Council remove the trees on the grounds of safety.
- **Resolved:** To receive and note the information provided.

123.6 Gorslas Park. Tree Risk Assessment.

- In addition to the issues reported earlier in the report relating to trees on the Church Road Boundary of the park the assessment identified that there was one other tree in the park was identified as needing attention in the near future.
- The cost of attending to the tree in question and for trimming and cutting back of boundary hedges would be in the region of £ 350.00.
- **Resolved:** To receive and note the information provided.

123.7 Gorslas Park. Ground Investigation Survey.

- Carmarthenshire County Council advise that they are to undertake further ground work tests in the park during the week commencing 5th December,2016.

- The Clerk has written to the County Council requesting that they advise the relevant bodies of the change in billing arrangements as from the 1st April,2017.
- **Resolved:** To receive and note the information provided.

123.9 Gorslas Public Convenience Electrical Testing.

- The Council has a duty as an employer and provider of services to the public to ensure that periodic testing of electrical equipment for which it is responsible is undertaken.
- Given that the item is one of health and safety Charles B Sams has been instructed to undertake the inspection and to align the work with the other electrical work being undertaken to ensure value for money is achieved.
- **Resolved:** To receive, note and approve the actions taken.

123.10 Gorslas Public Convenience Vandalism 03/12/16.

- The contractor advised the Clerk on Monday 5th December that following a further incident of vandalism on Saturday evening causing damage to the toilet roll holder the cubicle has been taken out of service.
- The Police have been notified of the incident.
- Discussion took place in relation to the number and nature of the several incidents of vandalism which had occurred recently in relation to the facilities and whether or not closing the toilets at 5.00 p.m. or 6.00p.m. during the winter evenings would help.
- **Resolved:** That the matter be placed on the agenda for discussion at the January meeting and that the Clerk enquire of the contractor as to any operational difficulties arising out of such a change.

123.11 Gorslas Park – Damage to French Drain Near Public Convenience

- It was reported that damage had been caused to the drain cover. To avoid a trip hazard a new cover has been purchased and fitted.
